Subject: Second Reminder Regarding Pending Result Correction Complaint No. 362 (Earlier Complaint No. 346 – Mercy Chance Result dated 11/12/2025)

Respected Sir/Madam,

With due respect, I would like to submit this second reminder regarding my result correction complaint, which is still showing pending on the university portal.

The issue pertains to my Mercy Chance result declared on 11/12/2025. While my result in Abstract Algebra has been correctly updated as **Pass**, I have been incorrectly marked as **Fail** in Communication Skills, despite having already passed this subject in my previous attempt.

Despite my earlier complaint (No. 346) and subsequent follow-up, the matter remains unresolved. This delay is adversely affecting my final result status and academic records. I kindly request you to please look into this matter urgently and make the necessary correction after verifying my previous examination records at the earliest.
